1st Student Affairs Division Meeting of 2013-Academic Year (2nd Semester) on 26-02-2014
3rd Student Affairs Division Meeting of 2021-Academic Year (1st Semester) on 13-10-2021

Article 1 To implement the training and guidance of the NSYSU representative sporting teams and to improve athletic performance, these Measures are formulated in accordance to the NSYSU Representative Sporting Team Guidance and Management Measures.

Article 2 The Sport Development Division shall be responsible for the recruitment of representative sporting team coaches. The target of recruitment shall be the physical education faculty of the University or those with sports expertise in principle. The University shall appoint the coach after documentary approval.

Article 3 One representative sporting team shall appoint one coach in principle. Should the team enter the Tier 1 of the Open Division of the League twice or reach the top 6 of the Open Division in the National Intercollegiate Athletic Games, the team may have divided trainings based on its needs and appoint an additional part-time coach. Should the above qualification cease to exist, the team shall abide by the principle of one coach per team.

The preceding qualification shall only be eligible for representative sporting teams without a full-time coach.

Article 4 To implement the training and team empowerment, the age limit of the representative sporting team coaches shall be capped at 65 years old.

Article 5 The term of employment of the representative sporting team coaches shall be one academic year in principle. The term of employment for coaches re-appointed for over three years may be extended to two years. The coach shall sign the NSYSU Contract for Representative Sporting Team Full-time Coaches upon employment.

Article 6 The coach shall implement the training and guidance as stated on the Contract. Shall any of the following conditions occur during the term of employment, the coach shall be suspended immediately:

1. Be involved in romantic affairs or monetary disputes with representative sporting team members.
2. Severely violating the contract.

Article 7 Should any of the conditions in the preceding article occur, the Sport

Development Division shall convene meetings to verify the conditions; immediate suspension of the coach shall be enforced after the approval of the case from the Office of Student Affair.

Article 8 The coaches shall be evaluated once every two years by the University. Should the coach be leading the team for under two years, the evaluation may be waived.

Article 9 The representative sporting team coach shall submit relevant documents and information for evaluation to the Sport Development Division before May 31st each year for evaluation by the Student Affairs Division Meeting.

Article 10 Should the representative sporting team coach meet any of the following standards, the evaluation shall be passed:

1. Any team members being elected as the representative of the Olympics Games, Asian Games, or the Universiade.
2. Entering the second rounds of the National Games (University Level), National Intercollegiate Athletic Games, Intercollegiate Championships, or Intercollegiate Sports Tournaments in team events; having two or more members entering the top 8, or having six or more members entering the second round in individual events.

Article 11 Should special circumstances arise or when the training needs more time to prove effective, the coach may submit documentary application for extending the evaluation once upon the approval of the Vice President for Student Affairs.

Article 12 The renewal of appointment of representative sporting team coaches shall be submitted to the Office of Student Affairs by the Sports Development Division in consideration of the development of the team and results of the evaluation.

Article 13 The Measures should be practiced after being passed by the Student Affairs Division Meeting. The same procedure applies for future amendments.
