

Regulations for Processing the Seconded Faculty Entrepreneur

Approved by the Office of Global industry-Academe Collaboration and Advancement Management Meeting on August 13, 2019

Approved by the Office of Global industry-Academe Collaboration and Advancement Management Meeting on August 7, 2023

Article 1 Regulations for Processing the Seconded Faculty Entrepreneur are made in accordance with Criteria for Handling the Seconded Faculty Entrepreneur.

Article 2 Subject: The applicant shall meet any of the circumstances below:

1. Any faculty member keen on entrepreneurships with R&D results.
2. Any faculty member appointed by the University to a startup founded within 5 years.

Article 3 Application procedure:

1. The seconded faculty entrepreneur application form shall be submitted by the faculty applicant or the startup applicant.
2. The seconded faculty entrepreneur application documentation regulations on the notice issued by the Office for Global Industry-Academe Collaboration and Advancement (hereinafter “OGIACA”) shall apply.

Article 4 Review procedure:

1. To receive and review the case, the Seconded Faculty Entrepreneur Committee (hereinafter the “Committee”) shall be organized with the Members as follows: OGIACA Director or OGIACA Deputy Director as the convenor, Director of Innovation Intellectual Property Division as the ex-officio member and other special members appointed by President pursuant to the disciplinary domain of the case.
2. The case review key points shall include the followings: the essentiality of the seconded faculty entrepreneur; the rationality of the seconded faculty entrepreneur’s duties in the startup; business model and technical feasibility;

corporate structure and enforceability; market operating planning integrity; and any other references to evidencing technology or innovative model.

3. If the faculty member files the seconded faculty entrepreneur application form and the NSYSU Innovation and Entrepreneurships Fund's Grant and Investment application form in the same semester, the two cases are likely to be received and reviewed in the same review meeting(s) if applicable.
4. As for the seconded faculty entrepreneur case, it is resolved by the Committee initially and the review minutes and the Members' remarks of the resolved case is reported to President for approval finally, and the approved case is submitted to the seconded-faculty-affiliated department (graduate institute) or college for file and check.

Article 5 The Faculty Evaluation Committee at the department (graduate institute) or college level must approve of the seconded faculty entrepreneur case in the meeting prior to enforcement in any case.

Article 6 As for the startup applicant approved by the Faculty Evaluation Committee, the mutually agreed industry-academe collaboration agreement shall be made by and entered into between the startup applicant and OGIACA, and it is mutually agreed that a semiannual report on status quo of administration with associated documentation (the "Report" collectively) shall be submitted by the startup applicant for traceability where the timetable and details of proposing the Report are expressly given to the startup applicant by the email notice sent by OGIACA.

Article 7 The Regulations are approved by the OGIACA chief meeting and this shall apply to any amendments.
